@UFCJCLibrarian @MyCJC Workshop training. Took me a while to figure out they existed when I was a grad student.
7. Interlibrary Loan and Uborrow

Interlibrary Loan and Uborrow are services provided by libraries to help users access materials that are not available locally. They facilitate the borrowing of books, articles, and other resources from other libraries around the world. Users can request these items through the ILLiad system, which allows them to track the status of their requests and receive the materials as needed.
