Intro to the George A. Smathers Libraries

Get to know the UF libraries

Did you know?

We have 7 libraries on campus.

Architecture & Fine Arts Library

Education Library

Health Science Center Library

Legal Information Center

Library West (Humanities & Social Sciences)

Marston Science Library

Smathers Library (Latin American and Caribbean Collection, Map and Imagery Library, Special & Area Studies Collections)

Each library has its own unique collections, study spaces, and services. Find the library that's right for you:

Library Locations Map

We have so much Study space

Group study rooms, collaborative work spaces, quiet study floors, individual study carrels, we've got it all.

Reserve a room using DIBS!

There's a librarian for every subject.

Subject librarians can provide expert help with your research. Find your librarian:

Subject Specialists

We have tons of library resources (in the library and online).

We have books, eBooks, academic journals, newspapers, videos, databases, digital collections, and more! You can search for most resources using OneSearch on the library's home page:

George A. Smathers Libraries Website

There's online research guides.

Find the best resources for your subject by using our librarian-created research guides.

Library Research Guides
We have awesome tech. From 3D printing to the One Button Studio, the libraries have many innovative technology spaces. Our computers are also loaded with software, and we have even more tech that you can check out!

**Library Tech**

You can access the libraries' online resources off-campus. Just download the VPN, and you will have access to our online resources from anywhere.

**Off-Campus Access**

You can ask a librarian. Questions? Chat/e-mail/text/call/ask a librarian!

**Ask a Librarian**
